

HUMAN SPEED®

Bike collection

HumanSpeed® *BIKE collection*

HumanSpeed® aims to supply cycling products ranging from the Pro Tour level to clubs with a need for highly functional sportswear. Ergonomically shaped panels, cooling fabrics and compression fabrics are only a few of the highlights of our extensive cycling collection, which will lift your performance to a new level. The “best buy” AERO SPEED line and the CLIMA COOL bike products, with a complete range of accessories in the same material, complete a great collection.
